

CHEARS®

Choose your ears

RENTAL (All prices exclude 21% VAT when used in Belgium)

All headphones are fully charged for use (= 8 hours of continuous use)
Charging is done with a standard USB-C cable.

- Basic set of 20 wireless headphones with 1 transmitter = 150 euros
- Set of 100 wireless headphones with 1 transmitter = 450 euros
- Set of 200 wireless headphones with 2 transmitters = 875 euros
- Set of 300 wireless headphones with 3 transmitters = 1,300 euros
- Set of 500 wireless headphones with 4 transmitters = 2,100 euros
- Set of 1,000 wireless headphones with 5 transmitters = 4,000 euros
 - Additional headphones = 4 euros/each
 - Additional transmitters = 20 euros/each
 - Power rack (on 4 braked wheels) for max. 480 devices = 125 euros/rack
Rolls smoothly through standard doorways measuring 80cm wide by 198 cm high and the rack is 70cm deep (so it also fits in a small lift)

Multi-day coefficients:

- 2 days = price x 1.5
- 3 days = price x 2
- 1 week = price x 3
- 2 weeks = price x 5
- 1 month = price x 9

BUY

If you want to use them for a long period of time (longer than a month) or more than 10 times a year, it is worth purchasing them. It is a sustainable investment in solid equipment.

All equipment (transmitters, headphones and distribution racks with power supply) come with a **2-year warranty** (B2C and B2B!).

We are happy to provide a customised price, taking into account all your requirements, transport costs, etc.

The basic purchase price for 1 pair of open-ear CHEARS headphones is 59 euros + 21% VAT. Discounts are negotiable for larger volumes.
